Details of amenities

The complex, set on a beautifully landscaped and car-free square, features a representative entrance with an elevator. You reach the apartment via a wide and quiet gallery overlooking the green rooftop garden.

The spacious hallway of the home provides access to all rooms. The bright and generous living room is directly connected to the south-facing balcony, offering a stunning view of the historic Town Hall, a remarkable backdrop to daily life.

The open kitchen by the renowned brand Bulthaup is equipped with high-end built-in Siemens appliances, a Quooker, and an advanced cooktop and extraction system by Bora. A kitchen where design and functionality blend seamlessly.

At the rear, you'll find a spacious master bedroom with an elegant French balcony and custom-made shutters. The second bedroom also features a French balcony. The third open space is currently set up as a comfortable home office but can easily be converted into a full third bedroom.

The modern bathroom features a generous walk-in shower, a double sink with a stylish vanity, and a high-quality finish. The separate toilet follows the same design. Additionally, there is a dedicated space for the washing machine, dryer, installations, and extra storage.

The entire apartment is finished with an exclusive oak herringbone parquet floor and features energy-efficient underfloor heating in various zones — including the bathroom. The apartment also includes quiet mechanical ventilation in multiple rooms.
