All about the location

Muro, a picturesque village in the "Pla de Mallorca" in the north of Mallorca, is characterized by its authenticity and rich history dating back to Moorish times. With around 7,000 inhabitants, Muro is a quiet place that has retained its traditional character while offering all the necessary amenities. The village offers a variety of sights, including the church of Sant Joan Baptista, dating from the 16th century. Another highlight is the ethnological museum, which is housed in a historic building and presents the history and culture of Mallorca, with pottery and leather goods, musical instruments, sculptures, etc. Muro is about 45 km from Palma and the airport is 50 km away. The surroundings of Muro are characterized by wide fields, olive groves and citrus groves and in the immediate vicinity are some of the most beautiful beaches in Mallorca, such as Playa de Muro, which is known for its fine sand and crystal clear water and is one of the most popular stretches of coastline on the island. For nature lovers, the nearby S'Albufera Natural Park is a paradise for birdwatching and hiking. Muro is therefore the ideal place for people who want to experience traditional Mallorca without sacrificing modern amenities. Here, rural idyll meets excellent connections and a rich cultural history, making it an attractive location for property owners who value tranquillity and authenticity.
