A first impression

This townhouse offers modern living comfort on a living space of approx. 164 m² in the heart of Lluçmajor. Completely renovated in 2024, special emphasis was placed on combining original elements such as stone walls and wooden beams with modern components such as steel beams. Three rooms, including two double bedrooms and three bathrooms, are spread over a plot of approx. 157 m². The heart of the house is the courtyard of approx. 40 m², which features a stylish olive tree and an inviting pool with an outdoor shower. Residents can spend relaxing hours here and enjoy the peaceful atmosphere. Upon entering the house via the side or garage entrance, the path leads directly into the open-plan living/dining room, next to the utility and equipment room and the glazed patio. Thanks to the glass walls of the 15 m² patio, plenty of daylight enters the living spaces and creates a pleasant living ambience. Here you will find a modern fitted kitchen equipped with high-quality appliances. Large glass doors provide direct access to the terrace and the adjoining pool area. The two spacious double bedrooms are located on the second floor. Each of the bedrooms has an en-suite bathroom and therefore offers a high degree of privacy and comfort. Particularly noteworthy is the master suite with an area of 32 m², which is equipped with an impressive 8-meter-long built-in wardrobe, a free-standing bathtub and a separate shower. For wine lovers, there is an underground wine cellar. In terms of technology, the townhouse boasts an efficient air conditioning system and an air-to-water heat pump. The underfloor heating provides cozy warmth, especially in the winter months. Interested parties have the opportunity to acquire a modern home in a sought-after location that impresses with both functionality and aesthetics.
