A first impression

Discover the perfect combination of style and elegance united with nature in this breathtaking villa on the shores of Lake Garda. This exclusive property not only offers a breathtaking view of the lake, but also a wide range of amenities that guarantee maximum living comfort. Built into the hillside, the villa has two floors with the possibility of dividing them into two separate apartments. Previously used as a family residence for several generations, this was not the priority, however, but rather the gathering on one of the large terraces or the cozy get-together in front of the open fireplace when the first crisp days of late autumn approach. The beautifully landscaped garden with its old buildings provides shade in summer and the private jetty directly opposite the road on the lake invites you to take a refreshing dip in the water. This villa is a true gem on Lake Garda and offers a unique opportunity to live in one of the most beautiful regions of Italy. Contact us today for more information or to arrange a viewing.

Details of amenities

The villa is in a well-kept condition that reflects its age. On the upper floor you will find a spacious living/dining room with access to the extensive terrace, which offers breathtaking views over Lake Garda and the mountain landscape of the west coast. A fully equipped kitchen, two bedrooms and two bathrooms, one of which has a bathtub, complete the offer.

A separate entrance leads to the lower floor via the equally spacious lower terrace. Here there are three further rooms, one of which is partly used as a laundry room, and a further bathroom with shower. The two floors are connected by an elegant wooden spiral staircase.

The upper living rooms are partly fitted with beautiful old wooden floorboards and the bedrooms with herringbone parquet flooring. The kitchen and bathrooms are tiled.

On the lower floor, the living rooms also have light herringbone parquet flooring, while the laundry room, hallway and bathroom are tiled.

The purchase price includes the double garage directly on the property. In addition to this garage, there is the possibility of acquiring another fully enclosed garage above the villa plot.
