A first impression

This refined apartment is located directly on the lakefront of Gargnano, in a historic building consisting of a few units, ideal for those looking for an exclusive and private context. The location is perfect: in the heart of the town, a few steps from the lake, beaches, restaurants and stores.

Accessing the building, a large staircase leads to the second floor, where the apartment is located. Upon entering, the environment is warm and welcoming. On the right opens the living area, characterized by extraordinary brightness. In this space we find a service bathroom, a large living room, an eat-in kitchen and a beautiful terrace overlooking the lake, which offers an enchanting view while providing absolute privacy.

The sleeping area, located to the right of the entrance, includes two bedrooms: one with an en suite bathroom and the other with a dedicated guest bathroom.

The entire apartment has undergone a complete and careful renovation, with carefully and tastefully selected furnishings. Much of the walls are embellished with hand-made frescoes, giving uniqueness and character to the residence. Underfloor heating and excellent insulation ensure comfort and energy savings.

In addition, on the same floor, there is the possibility of purchasing a two-room apartment currently already communicating with the apartment, offering more space and versatility to those who want an even larger solution.

There is also the possibility of purchasing a spacious basement and a double garage.
