The bright living room is located at the front and can be closed off with original en-suite sliding doors with built-in cupboards.

At the rear you'll find the dining room with modern open kitchen, equipped with a 6-burner gas stove, double oven, microwave, fridge-freezer, built-in dishwasher and washing machine. French doors open directly onto the garden.

The landscaped garden, designed by an architect, truly feels like an extension of the home. The terrace is partly tiled and features a covered lounge area with bio-ethanol fireplace.

In the hallway there is also a guest toilet and storage cupboard.

First floor
