Részletes felszereltség

Ground floor

The apartment has its own private entrance. The hallway gives access to all rooms.

The bright living room is located at the front and can be closed off with original en-suite sliding doors with built-in cupboards.

At the rear you'll find the dining room with modern open kitchen, equipped with a 6-burner gas stove, double oven, microwave, fridge-freezer, built-in dishwasher and washing machine. French doors open directly onto the garden.

The landscaped garden, designed by an architect, truly feels like an extension of the home. The terrace is partly tiled and features a covered lounge area with bio-ethanol fireplace.

In the hallway there is also a guest toilet and storage cupboard.

First floor

On the first floor, the spacious master bedroom is located at the front with a walk-in closet (or possible fourth bedroom/nursery). The second and third bedrooms are at the rear.

The bathroom is fitted with both a bathtub and a walk-in shower. There is also a separate toilet on this floor.

Plenty of storage thanks to bespoke built-in cupboards on the landing and in two of the bedrooms.
